Hi So, I have been in contact with Trump Property managers in regards to their maintenance commitment they made to the City in regards to the Medians that are directly in front of their properties. After Speaking to Ara, he said there are two documents that spell this out in detail which are the “Conditions of Approval” and the “Maintenance agreement of 2018”. Do you happen to have these handy and if not, where can I find them? Thanks in advance for your help.

Hi Elias,
Hope you are well. I resent this to Michael to speak to Angel about this. Are we responsible for the center median? Or the vegetation on the sidewalk side?

Hi Lili :

Would you please look into this and have this median taken care of?? I'm getting lots of complaints from residents.

Thanks in advance: Elias

Good Afternoon Angel, RPV Has not received a response to this email as of yet. In the absence of response, City of Rancho Palos Verdes has had to clean and clear vegetation from the median that has grown unsightly and unmaintained in front of Trump Property. Please send me an expected maintenance schedule for said Median, so the City knows when trimming and maintenance is expected to take place throughout the season.
